

## Alan Brady 教授略歴・主要業績

### — Bio —

Alan Brady is a professor at Kwansei Gakuin University in the Sociology Faculty. He has an M. A. in Linguistics from New York University, and a Ph. D in Applied Linguistics from Lancaster University in England, UK. Dr. Brady's teaching and research interests are in (1) the sociology of higher education, (2) civic and citizenship development, and (3) the sociology of sustainable living. He has written extensively in all areas, most recently in *Creative Education*, a paper entitled, *Creative Excellence in the Japanese University: Knowledge-Content Cognition and Language-Culture-Communication Integrated Global Awareness Learning* (2015) and *Integrating the spiritual-cultural, rights-responsibilities, and economics of a citizenship development higher learning through a differently conceived and practiced sociology in English at the Japanese university* (2013). He has presented papers on the sociology of education as sustainability, most recently being the featured speaker at the Conference on Human Development in Asia (April 26-28, 2015 Hiroshima, Japan).

### — LIST OF ACADEMIC CONFERENCE PRESENTATIONS —

#### International Conference Presentations

2015 Educating as sustainability: developing pedagogies of hope and promise.

##### **Featured Speaker**

**Second Annual Asian Conference on Education for Sustainability (ACES). Hiroshima, Japan, March 22-24.**

2014 Teaching and Researching a Sociology of Sustainability in Higher Education: integrated additional language (L2) interdisciplinary social science content learning within a citizenship responsibility development framework.

##### **Featured Speaker**

**The Inaugural Asian Conference on the Social Sciences and Sustainability. Hiroshima, Japan, Dec. 1-3.**

Citizenship Responsibility Sociology in English Higher Learning:

Empowering Students and Teachers Giving Hope of Eliminating Constraints to Critical Higher Learning.
